CARE HOME

LLWYNDYRYS CARE HOME

This elegant mansion is surrounded by extensive, beautifully landscaped gardens overlooking the Teifi Valley. We are situated just off the A484 near the village of Llechryd and only five minute's drive from Cardigan and Newcastle Emlyn.

AIMS

Choosing the right Care Home is a difficult decision to make. You want the best. We believe Llwyndyrys is the best because we have an enthusiastic team who are dedicated to providing quality care. We want you to enjoy living at Llwyndyrys; to know that you will be respected as an individual; that your wishes will always be considered; that you will be helped to maintain or improve your level of independence; that you will be helped to maintain the lifestyle you wish and that you will be afforded dignity and privacy at all times.

ACCOMMODATION

The Home is tastefully decorated to the highest standards. There are several lounges affording you the choice of socialising with other residents or enjoying the peace and quiet of one of the smaller lounge areas.

The Home benefits from a large decked area at the rear of the property which can be enjoyed by residents as a quiet seating area or to enjoy barbeques and al fresco dining during the summer months.

Although bedrooms are fully furnished, you are welcome to bring your own furniture and effects to make your room home from home.

The shower rooms have been specifically designed to promote safety and independence and the bathroom is fitted with a hoist. In the new wing we have ten single rooms, five of which are en-suite. Nine of the rooms have doors which lead out onto a large patio with surrounding gardens and the bathroom in this area of the Home contains a spa to soothe away aches and pains.

CARE

Our friendly care staff are available at all times, day or night, to help you with anything you require. Staff are carefully selected and trained to the highest standards, both "in house" and using outside agencies.

MEALS

Meal times are a social event and we have two dining areas to choose from. Alternatively meals can be taken in your room should you so wish. Our cook prepares varied and nutritious meals taking personal preferences into consideration. Special diets are also catered for.

SERVICES

- ❖ We have regular visits to the Home by the chiropodist, optician, dentist, hairdresser and mobile library.
- ❖ Confectionary, snacks and toiletries can be purchased from the small mobile shop every Friday.
- ❖ Regular Religious Services are held in the main lounge.
- ❖ The Home is fortunate to have the support of an active "Friends of Llwyndyrys" group who help to arrange outings and a variety of entertainments in addition to what is provided by the Home. An annual Summer Fayre is the highlight of a busy social calendar.
